**By Ronald Hutton : Charles the Second: King of England, Scotland, and Ireland** charles prince of wales charles philip arthur george; born 14 november 1948 is the eldest child and heir apparent of queen elizabeth ii known alternatively in read a biography about charles i king of england scotland and ireland discover why his conflicts with

parliament led to civil war and his eventual execution Charles the Second: King of England, Scotland, and Ireland:

1 of 3 review helpful Well researched but very cynical biography By Customer The book is very well researched but his critical approach to Charles II is so severe that I found it very distracting Constant criticisms were overwhelming and made the book very disappointing for me I am very interested in the subject matter and was hoping this to be a very detailed review of the subject I found the book to be disappointing Ronald Hutton is Britain s foremost historian of the English Restoration His book The Restoration was hailed as a real tour de force by History a work to which all historians will have to refer and immediately established itself as the definitive history of the period Now in Charles II Hutton offers a comprehensive biography of the king who returned to England in triumph after the death of Cromwell re establishing the mona From Library Journal Hutton an accomplished scholar of 17th century Britain has produced the first scholarly biography of Charles II It is a chronological treatment of the King s life firmly based on original documents Cutting through the tangle of legends s
