By Pauline Croft : King James (British History in Perspective S) a british perspective on the war of 1812 by andrew lambert the war of 1812 has been referred to as a victorious second war for independence and used to 16th century henry vii becomes king 1485 1509 founding the tudor dynasty and ending the long civil war called quot;wars of the rosesquot; his foreign policy involves King James (British History in Perspective S):

3 of 5 review helpful A Peacemaker and Horsetrader By conjunction I found this book very helpful James was king of Scotland for many years before becoming king of England The two countries had very different traditions and James brought his horsetrading skills to the English scene which enabled him to be a great mediator and peacemaker both at home and abroad As a child he had been rigorously educated and The accession of James VI of Scotland to the English throne in 1603 created a multiple monarchy covering the three kingdoms of England Scotland and Ireland which endured until 1922 Clear and concise Pauline Croft s study provides a compelling narrative of the king s reign in all of his dominions together with an authoritative analysis of his remarkable though flawed achievements Bringing together all of the latest researches and debates on the three realms
