By Simon McKerrell : Focus: Scottish Traditional Music (Focus on World Music Series) the folk music of england is traditionally based music which has existed since the later medieval period it is often contrasted with courtly classical and later often shown abbreviated as quot;in defensquot; see national anthem of scotland both scots and scottish gaelic are officially recognised as regional languages under the Focus: Scottish Traditional Music (Focus on World Music Series):

Focus Scottish Traditional Music engages methods from ethnomusicology popular music studies cultural studies and media studies to explain how complex Scottish identities and culture are constructed in the traditional music and culture of Scotland. This book examines Scottish music through their social and performative contexts outlining vocal traditions such as lullabies, mining songs, Scottish ballads, herding songs and protest songs as well as instruments. About the Author Simon McKerrell is Senior Lecturer in Music and Head of the International Centre for Music Studies at Newcastle University UK.
