By John Miller : The Glorious Revolution the glorious revolution spanish la gloriosa or sexenio democrtico took place in spain in 1868 resulting in the deposition of queen isabella ii feb 17 2011nbsp;how the deep seated fear of

popery precipitated the glorious revolution The Glorious Revolution:

7 of 7 review helpful Terrific introduction By Va reader This is a fine introduction to the problems of 1688 89 The discussion of quite contentious issues is admirably judicious and Miller is very sensitive to the long term implications of the events he describes In addition Miller provides a very strong collection of supporting documents while each of the Seminar Series includes some primary sources this is one o First published in 1983 John Miller s Glorious Revolution established itself as the standard introduction to the subject It examines the dramatic events themselves and demonstrates the profound impact the Revolution had on subsequent British history The Second Edition contains a fuller discussion of Scotland and Ireland the growth of a fiscal military state and the role of religion and the Revolution A first rate and highly sophisticated interpretation The book deserves a long and successful career History Today From the Back Cover First published in 1983 John Miller s Glorio
