**By Fitzroy Maclean : Scotland: A Concise History, Second Revised Edition** the history of canada covers the period from the arrival of paleo indians thousands of years ago to the present day prior to european colonization the lands the oxford dictionary of music second edition revised edited by michael kennedy associate editor joyce bourne an indispensable guide for all music lovers and Scotland: A Concise History, Second Revised Edition:

6 of 6 review helpful Still get lost in the details By Phicro Scottish history is confusing So many cross currents and then there s the frequent overlapping of Scottish and English royalty plus the French connection The book has lots of detail and interesting illustrations but it would be nice if he would step back at times and talk more about the larger context the big issues and fit events and people into them mo The Scots said a censorious English member of

Parliament in 1607 have not suffered above two kings to die in their beds these two hundred years He may have exaggerated but undeniably Scotland has a rough and bloodstained history It is a complex one too but Sir Fitzroy Maclean disentangles the threads and enlivens his brisk account with both wit and scholarship Pictures from authentic contemporary sources illuminate his story its romanc A truly remarkable collection of illustrations mostly unfamiliar gathered with excellent judgement from many sources and beautifully reproduced Times Literary SupplementMagnificently illustrated it is a constant visual delight
