By Murray MacKinnon, Richard Oram : The Scots: A Photohistory The Scots: A Photohistory:

0 of 0 review helpful Great selection of photos By A voracious reader As with The Irish A Photohistory this book also has a terrific selection of old photos all of which are in sepia and they re quite clear Also the written information is very interesting ldquo An informative and engrossing work for anyone interested in the northern isle rdquo Publishers Weekly In the decades following the invention of photography Scotland became enamored of the new art Over the next century Scottish photographers captured a stunning visual record of their land its people and their mixed fortunes hopes and aspirations Their achievements document a century of profound contrasts of division a From Publishers Weekly MacKinnon and Oram s collection of photographs taken in the camera s early years is at once a history of a place a people and an era The 1839 invention of photography piqued many Scots interest and they set to work documenting their co
