By Angela Bartie : The Edinburgh Festivals: Culture and Society in Post-war Britain the culture of the united kingdom is influenced by the uks history as a developed island country a liberal democracy and a major power; its predominantly christian get the latest breaking news from the scotsman politics transport education health environment

opinion and more The Edinburgh Festivals: Culture and Society in Post-war Britain:

The Edinburgh Festival and the Fringe that it inspired has been the hub for numerous culture wars since its inception in 1947 This book is the first major study of the origins and development of this leading annual arts extravaganza examining a moving stage of debate on such issues as the place of culture in society the practice and significance of the arts censorship the role of organised religion and the meanings of morality From the beginning th
