Edinburgh: An Illustrated History:

0 of 0 review helpful A Well Presented History of the University of Edinburgh By Steven R Shook My daughter will be enrolling as an undergraduate at the University of Edinburgh in September 2017 as an international student United States of America Thus I read The University of Edinburgh An Illustrated History with the intent of learning more about the institution and its development over the past 430 years The aut This pioneering work is an attractively written and illustrated history of the University of Edinburgh since its origins in the late sixteenth century The book covers the Reformation the Enlightenment in which the university played a central role the introduction to the university syllabus of science and medicine and the changing relationship between the university on the one hand and the city the nation and the United Kingdom and Europe on the other An urgent purchase for all concerned with and interested in the university valuable and consistently readable an extraordinary wealth of illustration a fascinating set of glimpses into student life This is a book to be welcomed Ian Campbell An urgent p
