By John Sadler, Rosie Serdville : The Battle of Flodden 1513 the battle of flodden which took place on 9 september 1513 is one of the bloodiest battles in british history the anglo scottish clash proved a devastating defeat our ford castle guide takes a look at the castles history to include how it was captured in the battle of flodden and details how king james iv of scotland was The Battle of Flodden 1513:

2 of 2 review helpful Fresh and full description of the battle By Anton Tomsinov A well written detailed account of the battle based on sound research i can recommend it to anyone who wants most recent study of the battle of Flodden Everything is covered political circumstances characters weapons tactics strategy etc Minus one star for one third of the book being far fetched information as if added just The Battle of Flodden in 1513 was the largest battle ever to take place between England and Scotland James IV himself led an army of 30 000 men over the border into England ostensibly in revenge for the murder of a Scotsman but in reality to assist their ally the French by diverting the forces of Henry VIII The Scots were hampered by old fashioned weapons and tactics while the English deployed more accurate artillery and their vaunted longbowmen When King James IV
