Yet hath it been ever esteemed a matter commendable to collect works together and incorporate them into one body

that we may behold at once what divers Off springs have proceeded from one braine This observation from the Bishop of Winchester in his preface to King James s 1616 Workes is particularly appropriate since James s writings cross the boundaries of so many different fields While several other monarchs engaged in literary composition King James VI and James I published more works than any other British sovereign including Queen Victoria In addition to poetry the King produced translations controversial pieces meditations commentaries on scripture political theory and kingship He al
