2 of 2 review helpful An Improbable Discovery By J L Populist My interest in the Westford Knight is motivated by genealogy research on the clan Gunn What I like about this book is that Mr Goudsward explores a lot of theories from the plausible to the far fetched He is unbiased and does an excellent job of wading through myths and sensible theories Just looking at the multiple interpretations of the Westford Knight is a mysterious controversial stone carving in Massachusetts Some believe it is an effigy of a 14th century knight evidence of an early European visit to the New World by Henry Sinclair the Earl of Orkney and Lord of Roslin In 1954 an archaeologist encountered the carving long known to locals and ascribed a variety of origin stories and proposed it to be a remnant of the Sinclair expedition The story of the Westford Knight is a mix of history
