Personal narratives of Irish and Scottish migration, 1921-65: For spirit and adventure':

Between 1921 and 1965 Irish and Scottish migrants continued to seek new homes abroad. Using the personal accounts of these migrants from letters, interviews, questionnaires and shipboard journals together with more traditional documentary sources such as immigration files and maritime records, this book examines the experience of migration and settlement in North America and Australasia. Through a close reading of personal testimonies, the author highlights the The book embraces an ambitious comparative aspect and is grounded impressively in a range of theoretical and interdisciplinary approaches to the study of the migration, demonstrating a keen awareness of recent debates about concepts of diaspora and tra
