**By John Frederick Burke : A Traveler's History of Scotland** scotlands capital receives millions of visitors each year many of whom miss some of the most enchanting aspects of this elegant city by following the well trod welcome to the poor traveler the rich blog for the budget traveler when we started this website we were at the very bottom of the corporate ladder trying to make A Traveler's History of Scotland:

1 of 2 review helpful Fell asleep during the first chapter By Douglas G Turnbull I asked for a book on Scottish history for x mas and this is what I get Im trudging through the first couple of pages and I have the urge to grab a pencil and rewrite stuff I dont usually get that urge when reading books After that I decided to look at the author s credentials to see if it was even worth reading Apparently its his first b No visitor to Scotland can forget for a moment the powerful presence of history Wherever one looks castles kirks monuments speak of great and often tragic events In this book John Burke provides an interweaving of history and topography Scotland is divided into regions chapter by chapter so that wherever he is the reader can identify the place with its past Not only do captains and kings appear but also farmers fishermen drovers and road builders The author h
