0 of 0 review helpful good book By Humur This book compiles achievements of Scots It is a voluminous compilation but pleasant to read nonetheless I was fascinated to read all that is in this book If you are an ethnic Scot this book will really open your eyes to what Scots have done to improve the world usually very quietly I recommend this for ethnic Scots and others who might be interested 0 of 0 review he While relatively small in number the Scots have certainly made their mark on the world 70 of all American presidents have had Scottish ancestry 11 of all Nobel Prizes ever awarded have involved Scots and their descendants and at least half of the men who walked on the moon were descended from Scots Here is the first ever celebration of all things and all people of Scottish descent photos
