2 of 2 review helpful Version is absolutely fine Good formatting active table of contents By B Man 123 In order to help inform you on your search and future searches please refer to the date and format of this review I m telling you this collection is properly formatted and contains an active table of contents I m not sure if the older version was

truthfully unacceptable or if the publishers of other versions of this is a pre 1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the pre About the Author.
