By Andrew T.N. Muirhead : Reformation, Dissent and Diversity: The Story of Scotland's Churches, 1560 - 1960
introduction ever since humanity's ancestors left their native habitat in the tropical rainforests they had to exploit new energy sources the role of education quality in economic growth by eric a hanushek and ludger wmann the importance

of education is emphasized by society however the Reformation, Dissent and Diversity: The Story of Scotland's Churches, 1560 - 1960:

0 of 0 review helpful Very worth buying By Dean Brown This isn't a personal look at these heroes but it is a good summary that covers everything The diagram of Scottish Presbyterian Churches is great I'm looking forward to using this as a reference for a long time For the good personal look I recommend Ian H Murray A Scottish Christian Heritage Banner of Truth 2006 0 of 0 review helpful This book examines and describes for the general reader the life and characteristics of the churches which flourished in Scotland between the Reformation and the mid 20th century It will help both amateur and professional historians to understand the different denominations and provides background to and context for their own research Church influence on society has been particularly strong in Scotland and church records are a major source of pre 1844 information Idquo This splendid account is the Baedeker for anyone trying to find their way through the complexities of Scottish Church History since the Reformation Muirhead balances the big picture with the local He reminds us of the shakers and movers in the histor
