By Brian King : Broughty Ferry Through Time read broughty ferry through time by brian king with rakuten kobo broughty ferry has gone through many changes since its origins as a small fishing village nestled in did you know there was once a windmill next to broughty ferry castle did you know broughty ferry castle lay in ruins for centuries with even a visiting robert burns Broughty Ferry Through Time:

Broughty Ferry has gone through many changes since its origins as a small fishing village nestled in the shadow of a fifteenth century castle. The industrial age saw wealthy jute barons arrive and build their grand residences there while the coming of the train saw the town become a popular destination for holidaymakers. The twentieth century and beyond has seen Broughty Ferry evolve into a popular and affluent suburb. This compilation of images follows Broughty Ferry. About the Author: Brian King was born and grew up in Dundee and has always had an interest in the changing face of the city. He now lives in Edinburgh where he received an MA Hons in History at university. He currently works at the university as a professional.
