**By Eric Simpson, George Robertson : Inverkeithing & North Queensferry Through Time** Inverkeithing & North Queensferry Through Time:

Inverkeithing was created a royal burgh in the twelfth century owing to its importance as a port and its strategic position on the King s Highway linking north and south This strategic position owed much to its proximity to its wee neighbour of North Queensferry at the northern end of the Queensferry Passage From the time of Queen Margaret the

Queensferry Passage now replaced by rail and road bridges has been a vital artery of traffic Inverkeithing now bereft of oth About the Author Eric Simpson acted as historical consultant for the BBC Grand Tours of Scotland programmes He has written many books for Amberley He lives in Fife and has an extensive collection of Scottish seaside memorabilia
