By Sam Allison : Driv'n by Fortune: The Scots' March to Modernity in America, 1745–1812 Driv'n by Fortune: The Scots' March to Modernity in America, 1745–1812:

1 of 1 review helpful Legacy of the Scots in North America By P W Neal Easy read many will argue with some of the author's conclusions and perhaps be disappointed to learn that the Appalachian Scots Irish descendants of the defeated Bonnie Prince were not a large contingent of Bond Servants as fictional accounts have proposed. On the whole the book is enlightening I am not sure if the author was as impartial. A provocative account of the 78th Fraser's Highlanders and its crucial place in history. The remarkable story of the men of the 78th Fraser's Highlanders moves from the 1745 Jacobite Rebellion in Scotland through the Seven Years' War and the American Revolution to the War of 1812. Simon Fraser, chief of the Clan Fraser of Lovat, raised the 78th Highlanders, a regiment that played a major role in defeating the French on the Plains of Abraham. This impressive book, which took Allison over ten years to complete, contains an incredible amount of information. It is a masterpiece.
