0 of 0 review helpful Two Stars By Tonya Not what we were looking for 1 of 1 review helpful Not really a guide book By William Matthew Robertson Includes plenty of Edinburgh s more grisly history but wouldn t recommend it as a guide book I was hoping that the book would be a more entertaining version of the regular guide books it does say Gruesome Guides on the It s history with the nasty bits left in Want to know Whose pickled skin became a sought after souvenir Why it s alright to spit on the High Street How the pupils of Edinburgh High School got away with murder Plot your path to the past with a frightful full colour map of the city s horrible highlights climb up the cursed castle for tales of reckless raids and hit the High Street for a whole host of historical horrors About the Author In 1996 Terry was the best selling British children s author with 5 of his books in the top ten best sellers of the year Waterstones Book Shop tables In August 1997 he was still leading the way with thirteen titles in the top forty Booksell
