2 of 2 review helpful Perhaps the best introduction to Scotland s history ever written By T Patrick Killough Walter Scott s History of Scotland written for his young grandson with better editing and presentation should be the perfect companion piece to many of Sir Walter s poems and novels This Cumberland House 4 volume edition has large enough print and contains a helpful list of the Kings of Scotland and a good index The first portion of the classic volume written by Scott Tales of a Grandfather covering the history of Scotland up to Scott s time
