Developmental History and the Scottish Enlightenment:

0 of 0 review helpful Great insight into the way the Scots viewed and wrote By Customer Great insight into the way the Scots viewed and wrote history I especially liked the discussions of my favorite Scottish philosophers A mush read for anyone interested in the Scottish Enlightenment An examination of all eighteenth century historical works produced by Scots is not the intention of this book which is instead a case study of a limited number of Scottish eighteenth century historical writings here designated as developmental history Since this is a term new to historiography some explanation is in order Prior publications on eighteenth century historical writings of the type being explored here have used the terms conjectural or theoretical
