By John Ashton : **Scotland's Shame: Why Lockerbie Still Matters** Scotland's Shame: Why Lockerbie Still Matters:

0 of 1 review helpful imagination run riot By G I Forbes This is a book with a ludicrous title and a farcical conspiracy text that is meaningless and only fits the authors fantasy The author attempts to prove that the Scottish government and judiciary are corrupt in so far in that the conviction of Megrahi the Lockerbie bomber was invalid because corrupt actions and false evidence It is unfortunate that no The bombing of Pan Am Flight 103 over the small Scottish town of Lockerbie in December 1988 was one of the most notorious acts of terrorism in recent history Its political and foreign policy repercussions have been enormous and 25 years after the atrocity in which 270 lost their lives debate still rages over the conviction of Abdelbaset al Megrahi as A slimmer assessment of the whole sorry saga than his previous study Megrahi You Are My Jury but no less damning James Robertson explains why Lockerbie is such a stain on the Scottish justice system James Robertson Scotsman
