By Tim Clarkson : The Picts: A History the traditional view of pict's as the painted people is based on a description given by the romans and the use of blue woad as a study of the british anglo saxon scottish and pictish people of britain designed for us by year 34 in uk schools ideal for helping with key stage 2 of the The Picts: A History:

0 of 0 review helpful Good book By E Gray Better presented than most with researched lines and factual representations Admittedly it focuses primarily on the medieval representations of the Picts and foregoes early legends or cultural comparisons with their Celtic cousins Slightly disappointing if you wanted something regarding similarities there Still good though 4 of 6 review helpful Pictish history is recorded only in fragments presented by writers whose lords and masters were often bitter enemies of the Picts Here the various fragments are drawn together to tell the story of this mysterious people from their emergence in Roman times to their eventual disappearance The Picts were an ancient nation who ruled most of northern and eastern Scotland during the Dark Ages Despite their importance in Scottish history they remain shrouded in an aura of m About the Author Tim Clarkson worked in academic librarianship before setting up a business with his wife He gained an MPhil in archaeology 1995 and a PhD in medieval history 2003 from the University of Manchester He is author of The Men of the North 20
