**By Angus Konstam : Bannockburn: Scotland's Greatest Battle For Independence** people lived in scotland for at least 8500 years before britains recorded history at times during the last interglacial period 130000 70000 bc europe had a although robert the bruces date of birth is known his place of birth is less certain although it is most likely to have been turnberry castle in ayrshire the head Bannockburn: Scotland's Greatest Battle For Independence:

3 of 3 review helpful A fabulous emotionally engaging narrative that reads like a novel By sbv17 I m only part way into this book and after getting past the absurd amount of front matter including a chapter about sourcing that would have been far better placed in the back with the bibliography or even directed readers to that location with a footnote or cross reference this promises to be a splendid book I particula Everyone interested in the battle for whatever reason would do well to read this engaging book Sunday TimesIn Scotland history and politics often become entangled For some the past is a source of inspiration for the future For others it becomes a salutary lesson in what mistakes to avoid The one thing Scottish history is not is dead fit only for scholars and schoolchildren yum! In Scotland on the eve Bannockburn is an entertaining read and a welcome addition to the historiography of Medieval warfare
