By Sheila Livingstone : Confess and Be Hanged: Scottish Crime and Punishment Through the Ages Confess

and Be Hanged: Scottish Crime and Punishment Through the Ages:

From Adultery Fornication and Incest to Witchcraft this text explores the range of crime and criminality in Scotland from the earliest times to the present day It shows how definitions of what constitutes crime have changed and moved through the ages and tells an extraordinary story peopled with strange and colourful characters The sheer brutality of life in earlier times is appalling what is the contemporary reader to make of the prisoners who in the 15th cen
