**By Ian B. Stoughton Holbourn : The Isle of Foula** with a population of around 30 foula is one of britains most remote inhabited islands and leaves a lasting impression on everyone who visits fair isle is the most remote inhabited island in the united kingdom it is administratively part of the parish of dunrossness shetland and is roughly equidistant The Isle of Foula:

A book of extraordinary rarity Ian Stoughton Holbourn's *The Isle of Foula* remains the classic account of this lonely and beautiful island off Shetland. First published in 1937 it gives a glimpse both of the enormous range of interests of the author and the enduring fascination of this most remote of islands. As well as being a superb work of scholarship the book is full of human interest and memories of the people of Foula from the early years of the twentieth century. About the Author Ian Stoughton Holbourn having fallen in love with Foula at the end of the nineteenth century bought Foula and the title Laird of Foula after three years negotiation. He came to regard it as home despite a peripatetic life as a univers
