**By Diane Morgan : Lost Aberdeen: Aberdeen's Lost Architectural History** Lost Aberdeen: Aberdeen's Lost Architectural History:

The initial chapters are an odyssey through the early town from the Green to the Gallowgate charting the

disappearance of the irreplaceable medieval townscape Moving on to more modern times she traces the evolution and gradual erosion of the Granite City whose stylish yet restrained architecture once brought visitors from all over the world to see an Aberdeen which they recognised and valued as a unique city She writes of George Street originally planned as an ele About the Author Diane Morgan was born in Aberdeen and educated at nbsp Aberdeen and Cambridge Universities She taught law freelanced for national and local media and in 1974 founded Aberdeen s quality monthly Leopard Magazine She sold the titl
