## Clydebuilt: The Blockade Runners, Cruisers and Armoured Rams of the American Civil War:

0 of 0 review helpful Great for the naval buff who wants the nitty gritty on Confederate raiders runners and rams from the Clyde builders By ReadsALot This very readable work on the Clyde community of shipbuilders to the Rebels reveals tidbits on the ships and the action not available from Bullock's contemporary history There is evidence of deep research you will discover or learn more about the building and fates The Civil War of 1861-65 was one of the defining moments in the history of America The Blockade of the US Southern ports during the war is well known Less well known however is the role that Scotland played in this aspect of the conflict almost 40 per cent of the ships were Scottish This should not be surprising however at the time the fastest ships in the world were Clydebuilt so it was natural that the Confederacy should turn to Scotland in their desperate bid Well researched and highly readable a major contribution to a little known aspect of Scottish history Scots Magazine Scots Magazine About the Author Eric J Graham studied Scottish and Maritime History at Str
