For a small footballing nation Scotland boasts a proud record of having qualified for the World Cup Finals on eight occasions. But this fantastic record is also tarred with the glorious failure of never having reached the latter stages of the tournament. Scotland '74 is a bitter sweet celebration of the closest Scotland has ever got so far at least when a team of superstars managed to snatch defeat from the jaws of victory in the dying seconds. Forty years on it's still About the Author. Richard Gordon is the long time presenter of BBC Radio Scotland's Sportsound and a life long Aberdeen FC fan. His passion for football was sparked by the 1970 Scottish Cup semi final his beloved Dons winning that day and going on to beat Celtic.
