**By Bengt Jangfeldt : Axel Munthe: The Road to San Michele** villa san michele is a family run hotel with twelve rooms overlooking the sea that has amalfi atrani and ravello within walking distance it features a private villa axel

munthe hotel caesar augustus is located within steps of the museum house built by the swedish physician and author axel munthe in the late 19th century Axel Munthe: The Road to San Michele:

0 of 0 review helpful MARVELOUS By Marguerite Epperson I highly recommend that before reading this book they first read The Story of San Michele It is one of my very favorite books by an amazing human being The Road to San Michele is the story of the man and I found it to be fascinating I have yearned to visit Anacapri an island off the coast of Capri in Italy where the Roman emperor Tiberius built his palace and Axel Munthe The Road to San Michele tells for the first time the riveting life story of an extraordinary individual who came to define the times he lived in The precociously bright son of a Swedish pharmacist Axel Munthe worked under Jean Martin Charcot and in 1880 became the youngest doctor in French history By the 1890s he was world famous for his healing powers believed by some to be supernatural He moved in the most colourful and ldquo Wonderfully good ndash and most touching too Jangfeldt has obviously done some really excellent research but does not let the material dominate him writing a living book and not a reference work I congratulate him rdquo Michael Hol
