0 of 0 review helpful Scotland s Lost Houses By marjorie This is a beautiful book It is well written and beautifully photographed Ian Gow goes into the historical detail of each house manor house castle etc and what in particular brought about its downfall Anyone interested in the great Scottish architecture of the past and the history of these houses would like this book It gives the reader a good look at grea In terms of architectural heritage perhaps nothing is

more poignant than the ruination of a once grand house. Since 1945 it has been estimated over 200 of Scotland's major houses have been lost. The reasons for the losses vary whether fire, dry rot or demolition when costs become prohibitive. Fortunately, photographs remain as a remarkable often eerie record of these great houses. Sometimes as with the magnificent photos of Hamilton Palace they provide a sumptuous book. Ian Gow covers all this indefensible waste and destruction with dry wit. Gavin Stamp Times Literary Supplement. Beautifully illustrated and evocative. Country Life. An authoritative and beautiful book. Scottish Field.
