**By Calum I. Maclean : The Highlands** this scotland map web site features free printable maps of scotland view the political map and relief maps of scotland and learn about scottish travel destinations general information with map and lodging plus activities for holiday goers The Highlands:

Of the books written on the Scottish Highlands many have been penned by outsiders with only the most superficial knowledge of Gaelic culture and language. In this new edition of his classic work the late Calum I Maclean a Gaelic speaking Highlander interprets the traditions, culture and ways of life of his native land. He is concerned not so much with places, beauty spots or scenery as with the Highlanders themselves in their own self created environment. Writing
