By Colin MacFarlane : The Real Gorbals Story: True Tales from Glasgow's Meanest Streets The Real Gorbals

Story: True Tales from Glasgow's Meanest Streets:

2 of 2 review helpful Accurate and anecdotal from the son of a Gorbals boy By Kenneth M Hunter I purchased this as a birthday present for my father who hails from the Gorbals Upon reading it he started remembering things and told stories long forgotten Reading it for myself I found that Mr MacFarlane treats his subject humorously but also objectively An easy read but very deep and insightful for anyone who has live In the 1950s Colin MacFarlane was born in the Gorbals a working class neighborhood in Glasgow Scotland MacFarlane witnessed the last days of the old Gorbals just as a major regeneration program began in 1961 and as a street boy he had a unique insight into a once great community in rapid decline He witnessed numerous drunken fights gang battles police corruption and even the occasional murder But the Gorbals had another side A fascinating portrait of the area full of detail and colour and memories of characters now long gone The Herald About the Author
