By Diarmaid O Muirithe : From the Viking Word-Hoard: A Dictionary of Scandinavian Words in the Languages of Britain and Ireland the anglo saxons were a people who inhabited great britain from the 5th century

they comprise people from germanic tribes who migrated to the island from continental the term epoque de st acheul was introduced by gabriel de mortillet in 1872 and is still used occasionally but after 1925 the idea of epochs began to be supplanted From the Viking Word-Hoard: A Dictionary of Scandinavian Words in the Languages of Britain and Ireland:

At the beginning of the 9th century the growing population of the three great branches of the Scandinavian race who peopled the countries abutting the Baltic the Norsemen or Northmen the Swedes and the Danes began a great outward movement which was caused both by political changes and their enterprising nature Thus the 9th century came to be known as the Age of the Vikings Vikinga Old The Danish emigration directed its course to the north east of England The s
