By Stuart Reid : Sheriffmuir 1715 information on battlefields and other fields of conflict throughout the united kingdom genealogy royal noble peer duke count lord baron baronet sir peer database family tree europe nobility knight peerage marquess earl Sheriffmuir 1715:

Sheriffmuir 1715 is the military history of a doomed Jacobite rising in Scotland which enjoyed far more public support and arguably far more chance of success than Bonnie Prince Charlie's attempt 30 years later. Unlike the 45 the uprising which culminated in the brutal battle of Sheriffmuir was very much a Scottish affair fought without either French troops or assistance and unashamedly aimed at reversing the hated Union with England and reasserting Scotland. About the Author: STUART REID was born in Aberdeen in 1954 into a family with a tradition of service in the Army stretching back through the battle of Mons to Culloden and beyond. He is the author of several books mainly on Scottish related military history including
