13 of 14 review helpful The story of Culloden told By A Customer I have been a historic re enactor for over two years now Studying Scottish history I first picked this book up in a comic shop of al places Since no one else has chosen to do so I will review this book Peter Harington has written definitive guide to the battle of Culloden he delivers an

unbiased review of the history that leads to and the battle that Culloden marked the end of the last and greatest of the Jacobite adventures the 45 Rebellion in which the Highland clans challenged the power of the Hanoverian King of England It was at Culloden that Charles Edward Stuart's army was finally defeated His tired Highlanders had little chance against the steady infantry and heavy artillery fire of the English Peter Harrington examines all aspects of the battle including its background the earlier Highlander victory From the Publisher Highly visual guides to history's greatest conflicts detailing the command strategies tactics and experiences of the opposing forces throughout each campaign and concluding with a guide to the battlefields today
