1 of 1 review helpful Rob Roy By Bagpipes48 Having read the book now it is very interesting reading as is the main character Rob Roy MacGregor I found myself submersed in the life and escapades of this colorful outlaw Highlander I believe anyone who loves history especially of Scotland should have this for their collection It is nothing like the Liam Neeson movie of the same title You will enjoy it 0 of 0 Rob Roy MacGregor was mythologized by Sir Walter Scott but was very much a fact in the Trossachs of Scotland in the late 17th and early 18th centuries Scott's romantic image is however far from the rogue which Nigel Tranter portrays in this classic work About the Author Nigel Tranter was one of Scotland's most prolific author with over 100 titles written He specialised in Scottish historical fiction
