star Somerled: Hammer of the Norse:

3 of 3 review helpful More of a History Book By Gregory MacDougall I read the other reviews and was excited as a descendant of Somerled to read more about my great great great Grandpappy I found the book more like a history book In between some of the history stuff were some very interesting stories about boat building an important part of that life and alliances to other families The book is divided into th Kathleen MacPhee provides an in depth historical insight into the 12th century King of Argyll who laid the ground for the expulsion of the Norse from Scotland s west coast and Hebrides About the Author A native Gaelic speaker born and bred in Argyll Kathleen McPhee has taught and lived in the area for most of her life She has also owned a fishing boat and a fish smoking business and teaches English to foreign students
