By Linda MacDonald-Lewis : The Warriors and Wordsmiths of Freedom: The Birth and Growth of Democracy

## The Warriors and Wordsmiths of Freedom: The Birth and Growth of Democracy:

1 of 1 review helpful The Warriors and Wordsmiths of Freedom A great little book By N Stephens I was more than satisfied with this little book I had the privilege to meet the author Linda McDonald Lewis while attending the All Clan Gathering in Scotland this summer She told me that her book would be interesting and readable for even a 14 year old How right she was I am definitely not a teen ager but I can vouch Did you know that the Declaration of Independence was based on a Scottish declaration of independence from the English from nearly 700 years ago This book will take you from the days of William Braveheart Wallace and Robert the Bruce during the Wars of Independence in Scotland to the days when Scottish and Irish people emigrated to the American Colonies and helped George Washington and Thomas Jefferson fight for freedom in America during the Revolutionary War Follow About the Author Linda MacDonald Lewis has been involved in promoting Scottish History in America for 20 years and has sold Scottish books from her thriving shop on the American West Coast for over a decade She works as a Master Performer at Highland Games all
