books Fantastical Imaginations: The Supernatural in Scottish History and Culture:

In Scotland the subject of the supernatural has been largely ignored by mainstream historians and academics who considered it to be irrelevant or trivial. This collection of essays by some of the foremost commentators in the field seeks to redress the balance by tackling such topics as prophecy, astrology, witchcraft, fairy belief, amulets and charming. Other issues include the role of the supernatural in Enlightenment Scotland in almanacs in Gaelic society and in About the Author. Dr Katherine Campbell is a lecturer in ethnomusicology at the department of Celtic and Scottish Studies, University of Edinburgh and General Editor of the Scottish Tradition series of recordings from the School of Scottish Studies Archives. Her
