By John Bannerman : The Beatons: A Medical Kindred in the Classical Gaelic Tradition The Beatons: A Medical Kindred in the Classical Gaelic Tradition:

This book traces the Clann Meic bethad or Clan MacBeth whose members practised medicine in the classic Gaelic tradition in various parts of Scotland from the early fourteenth to the early eighteenth century From many medieval

Gaelic manuscripts known to have been in their possession individual members of the clan and their activities are identified. Sometime in the second half of the sixteenth century the kindred began to adopt Beaton as a surname for use in non Gaelic.
