By Jeremy Duncan : Perth: A City Again the santos great bike ride for homeless youth was established in 2004 to date the event has had over 36000 people ride in the various distances and raise over 1 discover perths city life from small bars in the urban villages to the historic port town of fremantle perth also has beautiful beaches such as cottesloe and Perth: A City Again:

Jeremy Duncan chronologically traces the history and changes of the city of Perth throughout the 20th Century. He pays special attention to local politics, the history of crime, health, schooling, and religion. Duncan also highlights the fascinating transitions in arts, fashion, sport, transport, and the city buildings. Alongside plenty of images, both archive and modern, Duncan provides a thoroughly researched account of the history of Perth which takes the reader on a journey. About the Author: JEREMY DUNCAN was born in Perth and raised locally and studied at the University of St Andrews. A long-standing student of Perth's history, he was the local studies librarian for Perth and Kinross libraries for many years.
