**By Erling Matz : Vasa 1628** de vasa spreek uit als wasa is een zweeds oorlogsschip dat op 10 augustus 1628 op zijn eerste tocht zonk in de haven van stockholm het schip is in 1961 geborgen en may 23 2014 welcome to the vasa museum in stockholm the home of the worlds best kept 17th century warship Vasa 1628:

2 of 2 review helpful Very good service and product By Grant Schweitzer Excellent service and product was more than I was hoping I just hope to make it to the actual Vasa museum one day instead of writing a paper about it for school and reading a book about it Good book and paper at least I hope it was a good paper but nothing beats seeing something in person Thank you for the book and the personalized note 0 of 0 The Vasa was a richly adorned Swedish naval ship which sank in Stockholm harbor in 1628 Wonderful museum staplebound handbook filled with color photos and diagrams accompanied by informative historical texts
