The Livingstons of Livingston Manor: Being the History of That Branch of the Scottish House of Callendar Which Settled in the English Province of New ... an Account of Robert Livingston of Albany:

0 of 0 review helpful The Livingstons of Livingston Manor By earlenelb Since I have been an avid genealogist for over 50 years I found this book to be very helpful in putting the Livingston family together The information is great but I was disappointed that the printing wasn't better as I was giving it to my grandson as a gift but for the price and info gained it has been invaluable This book was originally published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the original work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent typographical errors strange characters and confusing formatting and does not adequate
